

# Risse Brothers

## SCHOOL UNIFORMS

Risse Brothers is extremely excited to be working with Holy Family School for the 2012/2013 school year. Risse Brothers sets itself apart from other uniform providers by carrying 100% of your school's inventory in our stores. When your families are ready to shop, the uniforms and accessories are in stock and ready to take home. With over ten years of experience servicing schools like yours, we can make a difference and improve your families' uniform experience.

Below is a list of some of the key features that we will be providing to Holy Family School-

- **Custom Online Store** – We build a customized online store exclusively for your school. Shop anytime on our secure, convenient and easy-to-use website. The website features sale merchandise and special offers and allows parents to track orders and product availability.
- **On Site Sale** – We bring our store to you. No need to place orders, uniforms may be purchased on a predetermined date at your school. The students will try the uniforms on at the sale held at the school and take them home that day.
- **Retail Location** – With convenient locations and new stores opening each year, you can enjoy year-round shopping. Walk-in, try-on, and take purchases home.
- **Customer Service** – Our trained customer service personnel are available to answer all your questions and take orders over the phone toll free at 1.888.923.0700.
- **Dedicated Account Manager**- Molly Bublik will be the contact person for all Holy Family customers. She has been Account Managing for Risse Brothers for over 3 years and successfully works with other schools in the Maryland and DC area. She is looking forward to working with the families at Holy Family School and making sure all of your needs are completely covered. You can call her directly @301-220-1987 or email @mbublik@rissebrothers.com for any questions or inquiries.

## A word from a few of our schools .....

“It is my pleasure to recommend Risse Brothers to anyone interested in school uniforms and school uniform accessories. Risse Brothers have taken over a floundering school uniform company and have done wonders with it. The quality of uniform is excellent, the service is the best ever and it is indeed a pleasure working with the Risse Brothers staff. I am extremely pleased with their problem solving ability and rest assured that the Carroll parents are too.”

-Dr. David Stofa, Principal, CEO-ArchBishop Carroll HS

“I have been extremely happy with Risse Brothers. Risse’s high quality uniform provides our students with a comfortable and professional look suitable for a Catholic school.”

-Thomas Reidy, Principal, Tampa Catholic HS

“The uniform process was so much easier this year for both parents and staff. The parents appreciate the information sheet with the grade level uniforms and pricing and they love when you all come out to the school during Parent/Teacher Conferences because it makes it even more convenient for them to purchase their student uniforms. Again, WE APPRECIATE YOU!”

-Natiia Moten, Office Manager, Blow Pierce
