

HOLY FAMILY CATHOLIC SCHOOL

Holy Family Catholic School provides a Christ-centered and nurturing environment where every child grows in wisdom as Christ grew in wisdom with His Holy Family. Our school family is dedicated to spiritual, intellectual, and social growth while embracing individual academic needs and our culturally diverse community. Our students strive for academic excellence and become life-long learners. We mirror Christ's love through works of service and respect towards others.

Dear Holy Family Catholic School Parents:

I hope you are enjoying the summer with your family and friends.

As some of you may know, I am privileged to have been appointed as the new Principal of Holy Family Catholic School. I am very excited about this position and, with your help, am committed to taking our school to the next level of excellence.

Since many of you have known me as the third grade teacher for the last few years, I want to share with you some of the reasons I decided to make this transition. Our school has been through many changes over the last several years, and it is my goal to bring continuity and stability to our school. I come prepared with the history and culture of the school and I have developed and maintained a strong existing professional and cordial relationship with you, as well as the students, faculty and staff and we share a mutual respect; these factors are essential to the continued growth and professional environment for our school.

Together, in the coming years, I hope to challenge each of us to continue in the direction we have started. I want to take what we have established and master and perfect our spiritual and academic goals.

As partners in your student's growth and development, I know you are committed to becoming more involved with our school and to take pride in the wonderful things we have achieved. I am appealing to your sense of enthusiasm and volunteerism and hope to see you attending and helping out at our events.

I understand, first hand, the dedication, commitment, love and work that go into parenting each and every day. I know we all get caught up in our busy lives, but please take time to be a part of our school family.

I am very much looking forward to the coming year and trust that I have the confidence and support of each and every one of you.

Enjoy your summer.

God Bless you and your family,

Sarah Chevlin
