

Course 7-2
 Homework Sheet
 Chapter 11-12

Date	Section	Topic	Assignment
3/23	11.1	Frequency Plot, Line Plot, Venn Diagrams	5-W.13 (freq), 7-BB.2 (line)
3/24	11.2	Bar Graphs, Histograms, and Line Graphs (include double plots)	7-BB.7 (bar), 7-BB.14 (line)
3/25	1.10	Mean, Median, Mode and Range	6-HH.2 (mmmr)
3/26	11.3	Stem and Leaf Plots	6-GG.18 (s/l)
3/27		Quiz 1	No homework
3/30	7.9	Circle Graphs	7-BB.12
3/31	11.y	Box and Whisker Plots (draw and interpret) (no outliers)	6-GG.20 (b/w)
4/1	12.1	Probability (include complement) (include odds)	7-DD.1 (prob)
4/2	12.2	Experimental Probability	8-EE.3 (exp)
4/3		Quiz 2	No homework
4/6	12.3-12.4	Organized Lists and Tree Diagrams (sample spaces) (FCP)	8-EE.11
4/7	12.5	Compound Events (independent and dependent) (mutually exclusive)	8-EE.8
4/8		Practice Test Work on IXLs	IXL (required) Alg1-N.5 (b/w), 8-DD.1 (mmmr) Alg1-JJ.5 (ind/dep)
4/9		Chapter Test	No homework

You must complete all the required IXLS by Thursday, April 9 at 8:59 am (before Friday E-School starts). Remember that the point of doing the IXLs is so you have practice for the assessment. Just as before, these count as "IXL" in powerschool. You can get let credit for these but obviously have lost the benefit of the practice before the test.

The online quizzes must be completed by 11:59 pm on the day they are scheduled. There is no late credit for this. It MUST be done and SUBMITTED sometime on Friday. More details will be included when the assignment is posted.

Information regarding how the test will be administered will follow.
