

Course 7-3
Homework Sheet
Chapter 7

Date	Section	Topic	Assignment
3/23	7.1a	Scientific Notation (order) (find missing part of statement)	8-G.1 (neg), 7-A.10 (comp)
3/24	7.1b	Scientific Notation (add/sub/mult/div)	8-G. (add/sub), 8-G.3 (mult), 8-G.4 (div)
3/25	7.x	Simplifying Algebraic Fractions (cancel common terms in fraction)	Alg1-Y.3
3/26	7.2 7.3	Multiplying Monomials and Exponents Dividing Monomials and Exponents (Expanded and Laws of Exponents) (incl missing power)	8-BB.6 (mult), 8-BB.7 (div)
3/27		Quiz 1	No homework
3/30	7.4	Power Rules (power to power?)	8-BB.9
3/31	12.8 12.9	Classifying and Simplifying Polynomials Adding and Subtracting Polynomials	Alg1-I.3 (simp), 8-BB.4 (add/sub)
4/1	12.10	Multiplying Monomials and Polynomials	Alg1-Z.6
4/2	12.x	Factor GCF from Polynomial	Alg1-AA.1
4/3		Quiz 2	No homework
4/6		Practice Test	IXL (required) Alg1-Y.4 (mult/div mono), Alg1-Y.5 (power to power), Alg1-Z.4 (add poly), Alg1-AA.2 (GCF Poly)
4/7		Review (work on IXLs)	Study
4/8		Chapter Test	No homework
4/9		No Class	No homework

You must complete all the required IXLs by Wednesday, April 8 at 8:59 am (before Friday E-School starts). Remember that the point of doing the IXLs is so you have practice for the assessment. Just as before, these count as "IXL" in powerschool. You can get let credit for these but obviously have lost the benefit of the practice before the test.

The online quizzes must be completed by 11:59 pm on the day they are scheduled. There is no late credit for this. It MUST be done and SUBMITTED sometime on Friday. More details will be included when the assignment is posted.

Information regarding how the test will be administered will follow.
