May 2022

Wow! It's hard to believe that this is the last newsletter of the year! The year has gone by so quickly but we still have lots of fun things in store for the month of May! We will be learning about Mary, our Mother, flowers and seeds, and ocean life and the beach. We will finish up our Happily Ever After Curriculum with "The ABC Book" focusing on the letters Xx, Yy, and Zz, the color pink, and reviewing shapes. We will also take some time to revisit some of our favorite stories that we listened to earlier in the year from the Happily Ever After curriculum.

We will attend Mass on Friday, May 6. Please have your child to the classroom no later than 8:45am. If you would like to donate a nonperishable food item, your child will be able to place it in the donation basket at the offertory.

We have had to cancel our Morning with Mom event as previously scheduled for May 6 on our preschool calendar. This is now a full day of school. We wish all Moms a very Happy Mother's Day. Thank you for all you do, and we hope your day is full of beautiful blessings. Look for a few surprises that will be coming home for you!

This month, we will take a "field trip" to visit the kindergarten classroom and meet Mrs. Ham. She will talk to the children about what it's like to be in kindergarten!

On Friday, May 13 we will have a May Crowning of Mary, Our Mother. Please have your child bring one flower for Mary and we will create a beautiful bouquet for Mary using all the flowers from our Glory Bee preschoolers. One from your garden would be perfect!

Friday, May 20 is an early dismissal day at 11:30am with extended care until 3:30pm. Please let us know if your child will be staying for extended care.

We will celebrate summer Birthdays this month! If your child has a summer birthday, please see the May class calendar for the day we will celebrate their birthday.

Our last day for the school year will be our Hoppin' Up Celebration on Thursday, May 26. This is not a regular school day, and each child **must be accompanied by an adult**. Please have your child to the classroom promptly at 9:30am on this day. We will dismiss immediately following our program and summer break begins!

Thank you for sharing your most beautiful blessings with us this year! It has brought us so much joy to get to know each child and watch them grow. We look forward to seeing many of the children next year in our kindergarten and hope that those attending other schools will keep in touch! We wish you all a happy and relaxing summer!

Please let us know if you have any questions.

Blessings,

Mrs. Ellen & Mrs. Gomez
