## Second Grade Summer Reading

June 9, 2021

Dear Second Grade Families,

Welcome to Second Grade! During the Summer of 2021, I hope that your child finds some AMAZING books that take him or her on AMAZING literary adventures!

Students should read for 20 minutes a day, Monday through Friday. They should read books on their last assessed **Guided Reading Level** or above. **Scholastic Book Wizard** is a great way to figure out the **Guided Reading Level** of the books your student is reading. You can find it at: [www.bookwizard.scholastic.com](http://www.bookwizard.scholastic.com).

Please have your child use the **My Summer Reading Log** and keep track of their Summer Reading. Students who turn it in the **first week of school** will earn a Reading Prize!

Some great digital applications for reading are **RAZ-Kids** at [www.raz-kids.com](http://www.raz-kids.com) and **EPIC!** at [www.getepic.com/students](http://www.getepic.com/students) with Class Code **qbw3166**. I also recommend the **Scholastic Summer Read-A-Palooza**. It is a great way to READ and have fun doing it. **Scholastic Summer Read-A-Palooza** is available at the following link: [www.scholastic.com/summer/parents-home/](http://www.scholastic.com/summer/parents-home/).

There is **NO Math Summer Work** this year! If you feel that your student would benefit from Math practice, I suggest working on addition and subtraction facts. **IXL** is a great tool at [www.ixl.com](http://www.ixl.com).

Blessings,

*Ms. Joanne G. Conway*
