

# Busy Bees in September

Welcome to our Pre-K Four Busy Bees' class! We are looking forward to enjoying a fun-filled year of learning with your preschoolers. The first couple weeks of preschool we will be getting to know your preschoolers and helping them to learn our classroom routine. Our preschool day consists of center time, art, circle time, snack, playground, story, lunch, rest, and our Reading Enrichment Program. Art is done during our center time so that we are able to work with a few children at a time, depending on their needs. During circle time, we will be going over colors, shapes, patterns, prayers, and songs. So if your preschooler tells you that they did nothing at school, believe me they had a busy day!

For the first week your preschooler will need to bring a water bottle, one healthy snack, and their backpack. When our **full day program** is in session your preschooler will need to **bring a water bottle, two healthy snacks (one for morning and one for afternoon), a lunch, a mask (and several extra masks) and their backpacks**. Please **send rest mats on Tuesdays** and we will send the mats home at the end of the week so that you can wash them. We ask that you label everything with your child's name. Our afternoon program ends at 3:00 and the children are dismissed in the car pool line. We will bring your child out to your car. Please stay in your car. For those of you who may need it, Morning Care is available beginning at 7:45 and Extended Day is available from 3:00-5:30 for preschool.

Please note: September 24 is an **11:30 carpool dismissal**. Extended care will be available until 3:30.
